## From our headteacher:

Welcome back – it has been an amazing start to the year! The pupils and staff have really enjoyed being back at school and it has been lovely to see new friendships developing over at Richmond. The Year 7 pupils at Cleveland House have been accessing The Bridge, building on the experiences that they had during summer school. At Redmoor pupils have been building their communication skills through discussion and at Primary there has been lots of movement and music to get the term started. At secondary Key Stage 4 have started to explore the world of marine biology – finding fossils and asking questions about life under the sea, the Vocational Sixth Form have started their new menu – spaghetti bolognaise (I did have a taster and it was delicious) and HAJC were exploring options for lunchtime clubs. There has been a real buzz around the school and we are very excited to be able to get back to offering a broad range of experiences to the pupils at the school.

## Return to the Leisure Centre

From Monday 6th September we will be resuming our swimming lessons at the Leisure Centre. If your child's class is participating, please can you ensure they bring their swimming kit. Thank you.

## Voluntary Contributions

We ask parents to kindly give their continued support by sending voluntary contributions, helping us to ensure the best educational benefits for all pupils in the school. By making a voluntary contribution of £35 per half term this works out as approximately £5 per week/£1 per day and payments can be made via Arbor. The school makes every effort to keep the costs of cooking ingredients/snacks/outings low and affordable. No pupil is ever omitted from activities if a parent is unable to pay; however, without continued commitment by parents to help with funding these costs, the school budget may not cover all of the expenditure.

Together we care, learn and succeed
