

From our headteacher: This week has seen the Year 6 residential visit to Sherwood Pines take place – the feedback from staff is how proud everyone should be of the pupils who have taken part in the visit. They have enjoyed exploring the different play areas and all of them have been excited about the hot tub at the lodge. The final group return today and I am sure that they will have had lots of fun. I am sure that you will join me in thanking all of the staff who have gone above and beyond to make sure that the trip could happen.

It has been another busy week and the pupils have been engaging in their learning in different places. Kara, Laith and Jack enjoyed a visit to the park. Jack was smiling and engaged with the spinning swing, Laith was being Spiderman climbing up to the top of the climbing frame and sliding down the poles. Kara was excited when she realised that she was heading to the park and climbed to the top of the frame and sat in the mesh basket to enjoy the sunshine. George and Walter were choosing different adjectives to describe a picture of Zeus and Elliot decided that he wanted to be able to sleep during the day when he was looking at the differences between daytime and night time.

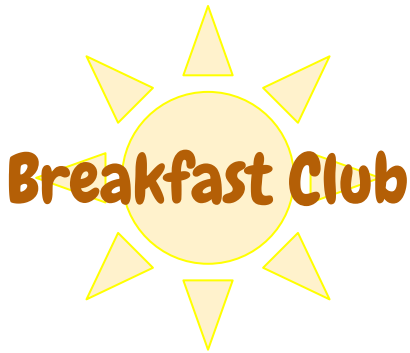

At secondary Athena class have been exploring how they can be ‘Good Samaritans’. George swept the classroom and Elliot and Lucas washed up. Jamie spent some time thinking about different jobs that he could do to help at home. Over at Cleveland House and the HAJC base the pupils have continued to show focus towards their exams – Jack and Danni talked to me about the revision that they had been doing (there was a lot of revision planned for Maths) and George returned from the main school and shared with me how delighted he was to have received his invite to the Year 11 Prom (he already knows what he is going to wear). The young people sitting their exams are showing amazing resilience and should be extremely proud of their hard work and commitment to doing well.

We have definitely had a whirlwind return to the start of the final half term. Over the next week we will be sharing information with you about special events that are happening at the end of term. After a very challenging start to the year linked to the pandemic we are looking forward to celebrating the achievements of pupils and having fun!

Date	Event	Location/Info
Wed 22nd June	Parents Evening	Details below
Fri 1st July 1:30pm	Sports Day at Secondary	Secondary School
Mon 4th July 1:30pm	Sports Day at Primary	Primary School
Wednesday 6th July	Prom	Details to follow
Thursday 7th July	Leavers Event	Details to follow
<b>Thur 7th July</b>	<b>Last Day of School for Summer</b>	

# School Notices

Please can you make sure that if you would like your child to attend Breakfast Club that you book a place for them no later than 3pm the day before.

This enables us to allocate staff accordingly.

## LUNCHES

w/c 13th June 2022

Week 1 Menu

Our up to date lunch menus for Primary and Secondary can be found by clicking this link: [Lunch Menus](#)

School Meal Primary meals: £2.20 per day

School Meal Senior meals: £2.45 per day

We would like to remind you that we have a no-debt procedure for our school meal service.

**If your child is not entitled to free school meals, they MUST be in credit if they wish to have a school dinner.**

**Thank you for your understanding.**

Please keep the office updated with any dietary requirements for your child. School Meals can be paid for via Arbor.

Information regarding eligibility for Free School Meals is available through County Hall:

[LCC - Free School Meals](#) or contact School Food Support Service. Tel: 0116 305 5770.

## IMPORTANT NOTICE

Please can we ask you to check the ingredients of your child's sun cream before you send it into school. We have been advised that a very popular brand has started making theirs with Almond Oil. As we are a nut free school, please **DO NOT** send any sun cream in which has nut oils listed in its ingredients. Thank you.

## **New Class Parents Evening Wednesday 22nd June 3:30pm to 7pm**

Our New Class Parents Evening is an opportunity for you to meet with your child's teacher for the next academic year, booking is made via  **Arbor** and will be live from 8am on Monday 13th June until 8am on Monday 20th June.

We are also holding our annual Moving On Fair at our Barwell Lane site until 6pm. This is an opportunity for you to come and meet with our local colleges, day care and other providers to find out what services they offer. This is an extremely important event for you to attend as it allows you to begin thinking about where your child may move on to when they leave Dorothy Goodman. The first term of the final year with Dorothy Goodman is the time to make an informed decision about where you would like your child to transition to. The final year can be very stressful if you haven't already explored what is available so we would encourage you to start this process as early as possible. All parents/guardians and pupils are welcome to attend.

## KS 1

**Llamas:** Great engagement during morning PLP time.

**Lemurs:** Our colourful and proud celebration in cooking this week when our focus was on Pride, there was an explosion of fun and colour in our cooking lesson

**Leopards :** This week some of our Leopards went swimming for the first time. They were all amazing, transitioned well from school to the leisure centre and had lots of fun in the water.

**Lions:** Excellent engagement in our first Topic session in this new topic

**Tigers & Turtles:** Making and tasting fruit smoothies

## KS 3

**Apollo:** Independent learning from most students in their Maths lesson

**Athena:** Making our own stained glass windows in Art.

**Kites:** Creating their own exercise stations in PE.

**Owl:** Everyone has settled so well into class, so far this week, despite a few changes since half-term. The class has worked together really well and been extremely helpful to Simon, who is teaching this term, as he tries to adjust to the new rules and routines in Owls. Thank you all for your help.

**Poseidon:** Everyone engaged with non-verbal drama

# Highlights of the week

## KS 2

**Earth:** Fantastic independence on the year 6 residential

**Jupiter:** Fantastic work both on the school trip and in school

**Mars:** all the children will to explore and try new food

**Mercury:** We really enjoyed having an Ancient Greek dinner party and we tried lots of different foods!

**Neptune:** Complete relaxation during our Cultural Studies lesson

**Saturn:** Rishi being shortlisted for the Jubilee art competition.

**Venus:** The year 6 residential trip

## KS 4

**Hera:** A group of our pupils from KS4 went to Middlefield Lane site and were so mature and polite.

**Hercules:** Playing 'Silent Uno'!

**Janus:** A positive week to start the half term.

## KS 5

**6th Form:** Teamwork across the site

**Demeter:** Having the WHOLE class successfully accessing and engaging in a SALT activity

**Nike:** Chloe has been using her talker brilliantly this week.

**Cleveland House:** All our students taking part in their exams, 3 weeks completed only 2 to go!!

**Iris & Zeus** Travelling on a train as part of the maths lesson!

# Key Stage 1

**Leopards:** This half term our topic is all about transport, this week we have been looking at trains. Laura enjoyed washing trains in shaving foam, making sure she also washed some of the staff too! Arthur has been making some wonderful pictures using trains to paint tracks on the paper and all the leopards have had great fun making cars out of fruit in sensory cooking.

Zachary

**Llamas:** This week we have started our topic- Travelling and journeys. We have introduced the first part of our sensory story- The Train Ride. We sequenced and retold the story using small world characters and made collage trains. In maths we have focused on shape and matched and sorted 2D shapes and in topic we have introduced seasonal change.

Jenson

**Lemurs:** This week we have started our new topic of Transport and have been listening to the story The Train Ride, the students have gone on a pretend train journey, and taken part in some great anticipation games based on a train journey. We had a really successful swimming trip on Monday with our new swimming group, they all did fantastically well and really enjoyed the water. The children also had a great time during our story massage session in which they were very calm and relaxed whilst listening to the story, on Friday we had an amazing time in our Pride themed cooking session making rainbow toast and rainbow fruit skewers. This week we have also welcomed Mace to our class.

**Lions:** We have begun our new theme of Transport and Journeys this week. In our mark making and writing session we focused on the story of 'the train ride'. We decorated a train track by rolling toy trains in paint. Some had a very good go at drawing their own trains whilst others enjoyed exploring sensory objects related to the story. In our topic lesson we all very much enjoyed exploring our new theme of summer holidays. It was a lesson full of engagement and independence; whether it be playing with sunglasses, building sandcastles or packing 2 suitcases of summer and winter clothing to name but a few wonderful moments.

Mace

Vinnie

Olivia

**Tigers & Turtles** Tigers and Turtles had a super week learning about transport and trains this week. We enjoyed a calming transport yoga session, mimicking trains using musical instruments, and writing a train ticket in Literacy. In Maths, we have focused on identifying and grouping 2D shapes. In our afternoons, we made a fruit smoothie and tasted it, we pretended to go on a train to London and tasted sausage rolls, pork pies, fig rolls and Chelsea buns, and we explored London on our computers.

Harry

# Key Stage 2

**Earth:** This week in Earth teaching group we have enjoyed exploring our new topic money visiting the shop developing our communication to request items and exchange for these products at the shop. In Science we explored properties of materials and went on a material hunt around to identify them and describe them.

William

Austin

Elsa

Oscar

**Neptune:** This week in Neptune we have discovered new ways of relaxing, the foot spa was fabulous. In English we explored the story of Theseus and the Minotaur, which enabled us to create our own Mythical Creature. In Maths we explored time and time language and in Science we grouped objects according to the material it is made from.

**Jupiter:** This week we have been exploring ancient Greece through history and exploring minotaurs in English. In maths we have been working on our understanding of money, adding values together and identifying coins. In PSHE we have started to prepare for transitioning looking at who we are and creating all about me sheets for our new teachers while some pupils have been working on transitioning around school to different areas and working on engagement, communication and interaction

Jesse

Edward

Tye

Kara

George

**Mercury:** In maths we have been looking at time and thinking about activities we do in the day and at night. Some children were adamant they wanted to sleep in the day! In English we have been looking at the story of Hercules and matching sentences to pictures. We also enjoyed a trip to the leisure centre again this week.

**Mars:** This week in Mars we started our new topic "Holidays". The children really enjoyed the beach sensory story and exploring the water play and sand. During cooking some of the children made an apple crumble and the others did sensology (exploring their senses). we have also done a ancient Greek sensory story and got to try some Greek foods.

Harry

**Saturn:** In maths the students have been working on their money skills, working on the value of coins and different ways to make amounts. In English they have started watching the DVD Hercules and read questions about what they had watched and then were working on using their phonic sounds to answer the questions. On Monday they were learning about Buddhism and they made a collage all about Buddhism on the chromebooks and they took part in a relaxation and meditation session.

Karl

**Venus:** Well done to all of the year 6 students on the residential trip, it has been great to hear about all of the fantastic experiences. This week we have been carrying on with our story Hercules and been learning about adjectives which the students have all enjoyed. We have also been enjoying the sunshine and it's been great to see all the students playing outside together. We hope you all have a lovely weekend.

Sarah

# Key Stage 3

**Kites:** Everyone has settled well into school after a week away. In maths we are revisiting number and thinking about how we can use our maths skills and knowledge to make counting and calculating easier. Metaphors and simile have been the focus of our descriptive writing and we've had a lot of fun using imaginative comparisons! We are also concentrating on being kind to each other and making a huge effort to make this last half term at Redmoor the best yet!

Harrison

**Owls:** This week we have done lots of problem solving and cooperation in Maths, the students have shown a really resilient attitude towards the problems and can be really proud of their work. In English, we have worked on the basics of writing, using what we know to be able to work independently, and using tools or support to develop our ideas further. We have also done lots of PSHE work this week, around relationships and supporting each other when we find things difficult.

Ellis

**Poseidon:** Poseidon have had a really positive first week back in school. This week we have been carrying on with our book in English *The Curious Incident of the Dog In the Night Time* and we have been exploring a new character from the book, completing some colourful semantics work and writing about the different texts in the book. In maths we have carried on with our topic shapes and we have been exploring 2D and 3D shapes and their properties we have also been practising our direction and position skills using backwards forwards left and right following instructions to find treasure. In Science Aidan, Daisy, Rohaan and John were researching different animals and seeing whether they were a carnivore, omnivore or herbivore. Aidan did some amazing research and he even put himself down as a omnivore which was super!

Pimmada

**Apollo:** This week in Maths, Apollo class have started to look at shape. Everyone could remember their simple 2D shapes with some of the class moving on to look at different lines of a shape: from parallel to perpendicular. In Art, we looked at stained glass windows. There was some beautiful Art created using water colour paints and pencils.

John

George

**Athena:** This week, we learned about things we could do to help at home in RE and made stained glass windows from tissue paper in Art. We also looked at healthy and unhealthy foods in RSE.

# Key Stage 4

**Janus:** We started the week with some of going swimming and some going to P.E, in the afternoon we carried on looking at different forms of Religious art and students were able to identify the differences. Tuesday and Wednesday morning we started to look at magnetism and other forces as part of our science topic, Thursday afternoon we further looked at population specifically at migration and the differences between permanent and temporary migration and things that might affect this.

Amy

**Hercules:** The class started off the week with a great lesson, sharing all the nice things that they had been doing over the holidays and looking at The Queen's Platinum Jubilee celebrations. In Geography, the class enjoyed finding their houses on google maps, and remembering & writing their addresses. In P.E we did hurdles, (soft) javelin, and boccia.

Zara

Madison

**Hera:** In PE pupils have been doing modern dance. The colour wheel and colour mixing was our learning in art we discussed secondary and primary colours. Pupils have been doing rangoli in RE, a lovely progression from Art lessons. In our mixed PSHE and RSE lesson pupils designed T-shirts - we are going to do tie dye T Shirts for the Goodstock Festival.

Tegan

Ellie

**Zeus & Iris:** A great first week back. The highlight of the week was to travel on the train to Nuneaton. A short trip but for many of our young people the first time that they had been on a train so there was great excitement and a bit of nervousness. As part of the maths lesson; timetables had been investigated and timings worked out for the walk to the station in time for the train; tickets were bought from the ticket office with cash so change had to be calculated and checked; then the same process in reverse to return back. Overall an enjoyable learning experience for everyone! In English we continue our script and have had fun re-enacting parts of it; in humanities we are looking at the population of the world and how it is growing.

Phoebe

Charlotte

**Cleveland House: KS5-** This week in KS5 we have been busy completing exams from Psychology, Math's, Criminology and Biology. In life skills ,students prepared and cooked Chicken Rogan Josh, which was a big hit with everyone. Have a sunny weekend. **KS4 -** Danni was revising and completing Biology and Physics assessment's whilst George, Jack and Kyle continued with their GCSE exams completing 2 English papers History and Physics. **KS3-** Year 8 made a fantastic savory vegetarian delight with rice and in Dance the topic was bullying. Our YR7 students made lovely blueberry muffins and all have settled well in after the festivities of the Jubilee half term.

Phoebe

Charlotte

# Key Stage 5

**Nike:** This week, students started a new story in English called "The Miller's Tale" by Geoffrey Chaucer. The students really enjoyed the silliness of the story. In maths, we are reviewing all of the topics we have covered this year. Students have cooked a variety of things this week including: fruit salad, Jambalaya, and banana pancakes. In art, we learned about the Royal Family and in RSE we continued our pubs/clubs theme.

Oliver

Chloe

**Demeter:** This week in Demeter we have started a new English story called 'The miller's tale' and have been looking at weather in Maths. All the learners seemed to enjoy the new activities and have been fully engaged. Kinjal particularly loved the water play. In PE we had lots of fun learning about cricket and identifying the equipment.

**6th Form:** The whole school has been very busy preparing for our Community Day. Students and staff have all worked together to organise the event to welcome our guests. This is alongside our everyday lessons and we have all been very busy. Everyone should be very proud of themselves. Well done to Alex C and Josh B who have passed their Food Hygiene Certificates!
