From our headteacher

What an amazing end of term! We've had laughter, tears and some amazing achievements.

Last weekend 3 pupils competed in the National Athletics Championship, the weather was very mixed across the weekend but the pupils all did an amazing job. Tarell won 3 gold medals for 800 meters, 400 meters & 200 meters. The 200 meters was a close race but Tarell stayed focused and kept pushing until the finish line. Emma raced in the 200 meters and the 100 meters, it was very wet during the 100 meters & Emma came 5th in the 200 meters. It was a fantastic event and we hope that our participation might grow next year.

Thomas in Neptune class aced his Maths SATS scoring 104. An amazing result and we look forward to seeing how he does as he moves on the secondary maths.

The Prom was electric and everyone had an amazing night. The limousine drivers gave extra time (because it has been a while) and the pupils loved it with a couple sneaking in for two rides. The dance floor was busy all night, the karaoke room and chill out zone were a real hit.

Yesterday we said goodbye to the Leavers – a group of 34 pupils this year across the school. At Cleveland House pupils shared their personal stories and it was lovely to hear about those who are going to university and college. The groups at Barwell Lane were fantastic sharing their views and looking at their special memories.

A massive thank you to you all for your support this year.

We are looking forward to next year's adventures.

Have a lovely summer.

Wow! What an amazing year this year has been. There are so many stand out moments that will remain special from this year but I would just love to discuss the friendships and caring nature of Apollo class this year. They are always there for one another and to see friendships grow across the year has been a wonderful sight to see. Thank You for all of your constant support and we hope that you have a lovely summer break!
