

# Vocational 6th Form Newsletter

2023/24

Week 8

**16-19**

A bridge between school and college or work placements and apprenticeships, giving young people opportunities to learn how to do things for themselves in real life situations.

The sixth form base is closely aligned with our young people's desire for more independence and a more 'grown up' feel to their school day. This provision is a bridge between school and college or work placements and apprenticeships. It will give young people opportunities to learn how to do things for themselves in real life situations.

For some the work will closely link to our work experience programmes and internships for others it will be more based on learning how to live more independently or enabling them to have a greater number of choices as they move on in the future.

The facilities at Middlefield Lane include two kitchen areas, the work skills DIY practical workshop, offices and usual classrooms as well as outside growing areas and areas for leisure.

One group enjoyed head massages to explore interoceptive senses.

Lots of young people do various physical activities, such as yoga.

### This week at V6F:

Everyone has enjoyed seeing their friends back at Middlefield Lane after half term. We hope everyone enjoyed the break!

*Please could we for any glass jars to be donated to Emma or Paula.*

Some young people visited their the Everyday Living cafe, practising ordering and waiting for their food.

### KEY STAGE NOTICES -

Be prepared for going out into the community, especially when it is raining.

Lots of young people have begun work experience positions in various placements.

Forest school is an opportunity for young people to explore the outdoor world,

improve teamwork skills, enjoy craft activities and play games. It is a very popular session!

Some young people have been working on their tennis skills, including using forehand and backhand strokes.
