

Vocational 6th Form Newsletter

2023/24

16-19

A bridge between school and college or work placements and apprenticeships, giving young people opportunities to learn how to do things for themselves in real life situations.

The sixth form base is closely aligned with our young people's desire for more independence and a more 'grown up' feel to their school day. This provision is a bridge between school and college or work placements and apprenticeships. It will give young people opportunities to learn how to do things for themselves in real life situations.

For some the work will closely link to our work experience programmes and internships for others it will be more based on learning how to live more independently or enabling them to have a greater number of choices as they move on in the future.

The facilities at Middlefield Lane include two kitchen areas, the work skills DIY practical workshop, offices and usual classrooms as well as outside growing areas and areas for leisure.

This week at V6F:

Lots of young people thoroughly enjoyed singing Christmas songs in Hinckley on Monday - there was a great turn out and it was lovely to see everyone!

KEY STAGE NOTICES -

Be prepared for going out into the community, especially bearing in mind the cold and rain.

Work experience has continued for some and they have been excelling in every way. For some people, the experience has come to an end, which has meant incredible memories but also some sadness.

We have also continued working on life skills, like putting on bed sheets.

To prepare for the Farmers Market and Christmas, there has been lots of cooking happening around site. Groups have made cakes, mince pies and shortbread biscuits. There have also been craft activities to make items to sell.
