

Vocational 6th Form Newsletter

2023/24

16-19

A bridge between school and college or work placements and apprenticeships, giving young people opportunities to learn how to do things for themselves in real life situations.

The sixth form base is closely aligned with our young people's desire for more independence and a more 'grown up' feel to their school day. This provision is a bridge between school and college or work placements and apprenticeships. It will give young people opportunities to learn how to do things for themselves in real life situations.

For some the work will closely link to our work experience programmes and internships for others it will be more based on learning how to live more independently or enabling them to have a greater number of choices as they move on in the future.

The facilities at Middlefield Lane include two kitchen areas, the work skills DIY practical workshop, offices and usual classrooms as well as outside growing areas and areas for leisure.

This week at V6F:

A group of students visited the New Walk Museum in Leicester and had a fantastic time looking through all the exhibits. They admired a whole variety of art, as well as learning about dinosaurs and Egyptians. Meanwhile, students at Middlefield Lane have been keeping fit and healthy with different games. Boccia is a particularly favourite among many of the young people.

Young people have been working on different ways of measuring. They have been learning which equipment is used to measure weight, length and capacity. They have then worked out how to use each piece of equipment accurately.

One group has been enjoying a sensory story about "Spring Cleaning". They have really enjoyed getting involved in different activities around cleaning.

Please be prepared for the cold and rain

All groups go out into the community, so everyone needs to be ready for any weather.

This is especially important

for those going to forest school or on D of E trips.

One group of young people are busily preparing for their DofE expedition. Having already worked on their map reading skills, they are now practising assembling their tents and using the Trangia cooker.

Young people have been discussing how they would like to raise money for additional resources for their sites this half-term. Following from their class debates their student council representative feed their views back at the School Council Meeting. Please see the events listed below and dates/times for you to attend. If you would like to join us please click on the link so we know to expect you.

Secondary at Barwell Lane

13th March

10am - 12noon

Barwell Lane students want to raise money for sensory room
