

# Vocational 6th Form Newsletter

2023/24

16-19

A bridge between school and college or work placements and apprenticeships, giving young people opportunities to learn how to do things for themselves in real life situations.

The sixth form base is closely aligned with our young people's desire for more independence and a more 'grown up' feel to their school day. This provision is a bridge between school and college or work placements and apprenticeships. It will give young people opportunities to learn how to do things for themselves in real life situations.

For some the work will closely link to our work experience programmes and internships for others it will be more based on learning how to live more independently or enabling them to have a greater number of choices as they move on in the future.

The facilities at Middlefield Lane include two kitchen areas, the work skills DIY practical workshop, offices and usual classrooms as well as outside growing areas and areas for leisure.

**This week at V6F:**

Groups have been busy in the community this week. One group attends weekly tennis sessions at Green Towers while another group visited Nuneaton signs to learn about different employment opportunities. All young people are fantastic ambassadors for the school as they build their Independence and communication skills.

Please note: Parents evening is on **Tuesday 12th March** and there will also a **Moving On** event where various colleges will be available to discuss possible options for when young people are ready to leave school.

While exploring different household chores, some young people have enjoyed cleaning their classroom using the vacuum, while others have discovered hidden green fingers while gardening. Great work guys!

Young people were helping the community by preparing the Borough Bulletin. They folded the papers before putting them in envelopes, sticking on the correct address labels and sealing the envelopes. Great teamwork from everyone!

Some young people enjoy music lessons to help improve their skills.

**Please be prepared for the cold and rain**

*All groups go out into the community, so everyone needs to be ready for any weather.*

*This is especially important for those going to forest school or on*

**D of E trips.**

Young people have been discussing how they would like to raise money for additional resources for their sites this half-term. Following from their class debates their student council representative feed their views back at the School Council Meeting. Please see the events listed below and dates/times for you to attend.
