

Vocational 6th Form Newsletter

2023/24

16-19

A bridge between school and college or work placements and apprenticeships, giving young people opportunities to learn how to do things for themselves in real life situations.

The sixth form base is closely aligned with our young people's desire for more independence and a more 'grown up' feel to their school day. This provision is a bridge between school and college or work placements and apprenticeships. It will give young people opportunities to learn how to do things for themselves in real life situations.

For some the work will closely link to our work experience programmes and internships for others it will be more based on learning how to live more independently or enabling them to have a greater number of choices as they move on in the future.

The facilities at Middlefield Lane include two kitchen areas, the work skills DIY practical workshop, offices and usual classrooms as well as outside growing areas and areas for leisure.

*Join us for our
Breakfast Morning*

Wednesday 20th March
10:30 - 12:30
6th Form - Middlefield Lane

*Help us raise money to
create a cosy common room*

Cobs available with

Sausage or Bacon

This week at V6F:

As part of helping in the community, some young people have been helping the Council this week, by labeling and packaging post for them. They worked hard as a team

During DIY sessions, young people have continued to make improvements around site with their current goal being a bench for the cooking room.

Our young people enjoy lots of achievements both

inside and outside of school. We love it when families share these successes with us, so please feel free to send in any particular achievement or outings you would

like us to mention. One young person has been a swimming superstar, managing a whopping 400m!

During Myths and Legends sessions, one group created some props to help them role-play parts of the story. They created dragon masks and a sword for the "Dragonslayer".

Young people have been practising their safety skills. This can look different for different pupils - for example practising road safety by crossing the roads near school, or car safety by putting on a seat belt.

Please be prepared for the cold and rain

All groups go out into the community, so everyone needs to be ready for any weather.

This is especially important for those going to forest school or on

D of E trips.

Young people have been discussing how they would like to raise money for additional resources for their sites this half-term. Following from their class debates their student council representative feed their views back at the School Council Meeting. Please see the events listed below and dates/times for you to attend. If you would like to join us please click on the link so we know to expect you.

Secondary at Barwell Lane

13th March
