

Thank you so much for making me

feel so welcome and at home in my first term at DGS Primary. I am really enjoying getting to know all of the young people and have already seen them progress so much in so many different ways. We have had such a busy term! On site we have had new KS2 swings, two new classrooms, a new sensory regulation space- The Den and most recently our wonderful new sensory room. We have also welcomed some amazing new staff and students who have slotted in beautifully to the DGS team.

Next term we will be welcoming some more new staff to help bolster our team and we will be focusing on reviewing and developing our curriculum further to ensure it continues to meet the needs of our young people in the modern world. All exciting things to come! A huge thank you to all of our staff for their hard work this year and especially in the run up to Christmas. They have organised such wonderful activities including our stay and plays and the atmosphere in school has been magical, especially with our visit from the Big Man himself this week! Please think about following us on Facebook to see even more photos and updates. Have a wonderful break all. Merry Christmas and Happy New Year to those of you who celebrate!

I know that you will want to join me in thanking all of the staff across the school for creating a magical end to the term. It has been fantastic to see pupil's performing, taking part in Christmas activities, having a visit from Santa and tucking into roast turkey. Thank you to all the families and friends of pupils who have joined us to celebrate. Have a wonderful Christmas.
