

This week it has been lovely to see some of our classes venturing out into the community as part of their learning. We've been having loads of fun visiting places like The Hinckley Leisure Centre for swimming, Richmond School for climbing club, local shops, cafes, the park and even a trampoline/soft play park! It's not just about having a good time - though we definitely do - it's also about learning some really important life skills such as road safety, independence, keeping fit and socialising. We know going out can be a bit daunting, so we take it step by step. We start at school with activities like role-playing shops or practising road safety on the ball court. When we are ready we will start with short walks around school or to places nearby to get used to being out and about. As we get more confident, we go on longer trips making sure everyone has the support they need to join in, have fun and learn new skills. We know everyone is different and whilst these trips take a lot of planning and preparation, they are so important and bring so much to our curriculum!

We have a no-debt procedure for our school meal service. If your child is not entitled to free school meals, they must be in credit if they wish to have a school dinner, you can pay via Arbor. Please keep us updated with any dietary requirements for your child. Information regarding eligibility for Free School Meals is available from your local authority.

**Thank you**

**With your help, we managed to raise £640 for the school with ASDAs cash pot for schools.**

**Please do not send any products containing nuts, into school.  
Thank you for helping to keep our young people safe.**

We are on the lookout for some small blankets to use in our TAC PAC sets, if you have any you no longer want or need our intervention team at primary would gratefully appreciate them.
