11th July 2025

Hello All,

Well... the final day has been and gone, and we've enjoyed our first proper sunny Fusion Fest. We've done rainy days, COVID days, and this was our first one in the sun. We'd like to thank each and every one of you for coming to make it a wonderful end to the school year.

Over the summer, please do as much as you can to continue to explore your local spaces, places, and open up as many opportunities to your young people as you can. We know how tricky it is to get children off their tech and out in the community but we've seen all of them access the local area in some way over this year, so hopefully they'll be able to show you all that too.

This year, we say goodbye to Adegbemi, Owen, Jacob C, Felix, Lewis, Alfie S, Callum and Luke. They have all made incredible progress during their time here, and we can't wait to hear about what they do next. We're already looking forward to seeing them on exam results day in August!

Finally, as always, we'd like to thank you all for your continued support during the school year. Your challenge, praise, support, and encouragement are always appreciated and really do help us every day.

We hope you have a brilliant summer!

Katie & Tunde
