

A Message From Our Executive Headteacher

It has been a really busy term where staff and pupils enjoyed the masked reader challenge for World Book Day. Thank you to everyone who has been able to join us for events across the school – it has been lovely to welcome so many people to share in the work that we have been doing and we will have more events during the summer term – please check the newsletter for details.

As we head towards Easter we wanted to provide some updates that are happening across the sites:

- Hydrotherapy pool is now fixed – we had to wait for the part to be manufactured in Germany but it now fully fitted
- Drainage at primary has been improved – puddles and mud have been reduced and new turf will be laid over the Easter break
- The works for the 6th Form roof will start at Easter. This will include scaffolding going up – works will last over the summer break (it is a very big job)
