

A message from our Heads of School Sam and Jonathan

It has been a busy term with lots of fun activities happening across all the Primary sites. Everyone has enjoyed the English focus on letters and there have been mini post offices popping up around the school.

As the weather has started to improve, it has provided more opportunities for time outside and visits within the local area.

World Book Day provided an opportunity to dress up and enjoy our favourite stories with staff sharing some of their favourite stories.

Thank you to all the parents who joined our events this term – it was lovely to see so many of you.

Wishing everyone a very happy Easter break. We look forward to seeing you all when we return on 13th April.

Ravenhurst

Thank you to everyone who joined us and the main school for our Mother's Day event. The children really enjoyed decorating the presents they gave to their relatives and it was great to see so many people.

Some of the pupils have been shopping at Asda buying ingredients for cooking showing great independence skills.

Turtles class have been exploring different musical instruments in phonics looking at all the different sounds and whether they are loud or quiet.

Richmond

Some of our Year 6 pupils have had a great time this week joining with the Y6 Richmond pupils on their annual trip to PGL. They have taken part in activities such as climbing, archery, raft building and abseiling in some very mixed weather conditions!

Pluto class explored different fortune cookies during learning around Lunar New Year and Saturn class have been visiting the park during PE.

Neptune class had a great time during cooking making very chocolatey Easter nests!

Sam

Cleveland House / THS Base

As we approach the Easter holidays, it is great to reflect on the amazing term that this has been across The Hinckley School Bases and Cleveland House. Pupils have worked incredibly hard throughout the term and continue to demonstrate determination, resilience and pride in their learning.

At Cleveland House, pupils have made excellent progress in their qualification pathways. They have been working with focus and commitment, building their knowledge and skills as they prepare for the busy term ahead. It has been particularly encouraging to see pupils taking ownership of their learning and developing confidence in their abilities.

At The Hinckley School Base, there has been a strong focus on developing the learning environment, led by pupil voice. Pupils have really valued the opportunity to take ownership of aspects of their environment, contributing ideas and seeing these brought to life within the base. This has supported a real sense of pride and belonging. Pupils at the Hinckley Base have also thoroughly enjoyed their off-site visits, making the most of opportunities to engage with the local community. These experiences allow pupils to apply their learning in real-world contexts, supporting their independence, confidence and understanding of the world around them.

Overall, it has been a fantastic term across both sites, with pupils showing great effort and commitment in all that they do.

We wish everyone a happy and restful Easter break and look forward to welcoming pupils back for the summer term.

Jonathan
