

A Message from our Head of School

Here we are again at the end of another term!

It has been a busy few weeks with lots of fun and exciting learning opportunities. Pupils are building upon their skills and confidence across the school.

Pupils have been enjoying a range of activities outside of the classroom including trips to the park, catching a bus into town, shopping trips and visits to Burbage Common.

Science has seen pupils exploring magnets and some have been creating their own electrical circuits. In English they have been looking at what they like and dislike and stories from their lives.

Wishing you all a good half term break and enjoy the sunshine!

Looking forward to seeing everyone for the final term of the year. *Sam*
